

PAGE 2013 INFORMATION FOR ORGANISERS OF SATELLITE MEETINGS

PAGE does not get involved in organising satellite workshops or booking venues, etc.

Satellite meetings cannot be booked as part of the main PAGE registration system.

There are no meeting room facilities available for satellite meetings at the PAGE meeting venue, the Glasgow Royal Concert Hall.

If you wish to organise a satellite meeting around PAGE 2013, you have three options:

1. You can organise the workshop yourself at a local hotel. You can find a list of local hotels on the PAGE website. If you would like help with finding a suitable hotel, please contact Fiona McGillivray at Meeting Makers – fiona@meetingmakers.co.uk
2. You can organise the workshop yourself at the University of Strathclyde (approximately 1km from the PAGE venue). Please e-mail Alison Thomson, who will help you with your enquiry - alison.h.thomson@strath.ac.uk
3. If you require the services of a conference organiser, you can ask Meeting Makers for a quote – fiona@meetingmakers.co.uk

Once you have finalised the details of your satellite workshop, please send the details to Rik Schoemaker, who will then include the details on the PAGE website - rs@page-meeting.org
