- 1) identify themes for invited speakers
- 2) review poster and oral abstracts

PAGE Scientific program

Poster sessions

Oral presentations

- A few invited speakers
 - Keynote/Special theme
 - Tutorial
- Remaining part, the majority, selected from submitted abstracts
 - Lewis Sheiner Student Session, since 2005
 - Stuart Beal methodology session, since 2006
 - Other sessions named depending on the submitted abstracts

Selection of oral presentations

- Approximately 25% of submitted abstracts selected
- 2019: 83 abstracts submitted
 - 3 selected for Lewis Sheiner session
 - 21 for remaining spots
- Selection of oral presentations (apart from Lewis Sheiner session)
 - Initial ranking in sub-committees → selection to second round
 - Voting by SOC members and advisors (around 15-20 votes)
 - Conflict of interest taken into account in voting

Lewis Sheiner Student Session

- Reviewed by committee of three persons
 - This year Emilie Hénin, Andrew Hooker, and Thomas Dorlo
- Effort to blind reviewers
 - Authors, affiliations, and acknowledgements removed
- Conflict of interest taken into account in voting
